Members of the Board:

You have requested our opinion as to the fairness, from a financial point of view, to the holders of equity shares of UPL Limited (“UPL”) other than the promoter and promoter group shareholders of UPL (the “**Holders**”) of the Exchange Ratio (defined below) in connection with the merger of Advanta Limited (“**Advanta**”) into and with UPL (the “**Merger**”), as more fully described in the proposed scheme of amalgamation, which provides, *inter alia*, for the Merger (the “**Scheme of Amalgamation**”).

As more fully described in the Scheme of Amalgamation, pursuant to the Merger, one fully paid-up equity share having par value of Rs. 2 per equity share of UPL (“**UPL Equity Shares**”) and three convertible preference shares having par value of Rs. 10 per preference share of UPL (“**UPL Preference Shares**”), convertible into ten UPL Equity Shares for every four hundred and seventy one preference shares of UPL, will be issued for every one fully paid-up equity shares having par value of Rs. 2 per share, of Advanta (“**Advanta Equity Shares**”) held by the shareholders of Advanta except to UPL itself (the “**Exchange Ratio**”). We understand that the Exchange Ratio has been rounded to the nearest 2 decimal places.

We understand that all UPL Preference Shares shall (i) be convertible into UPL Equity Shares during, or compulsorily, at the end of 18 months and additionally, resident shareholders shall also have an option to redeem such UPL Preference Shares at par at the end of 18 months, and (ii) carry a coupon at the rate of 5 per cent payable annually.

In arriving at our opinion, we have reviewed (i) the draft valuation letter dated November 22, 2015 of BSR & Associates LLP (“**Draft Valuation Letter**”), an independent valuer jointly appointed by UPL and Advanta and (ii) the draft dated November 22, 2015 of the Scheme of Amalgamation (“**Draft Scheme**”).

We held discussions with certain senior officers and other representatives and advisors of UPL and certain senior officers and other representatives and advisors of Advanta concerning the businesses, operations and prospects of UPL and Advanta. We examined certain publicly available business and financial information relating to UPL and Advanta, the details of shareholding of UPL and Advanta, certain publicly available third party research analysts’ financial forecasts relating to UPL (the “**Public Reports**”), certain financial forecasts relating to Advanta (which were provided and confirmed to us by Advanta) and other information and data relating to UPL and Advanta provided to or otherwise reviewed by or discussed with us by the respective managements of UPL and Advanta including information relating to the potential strategic implications and operational benefits (including the amount, timing and achievability thereof) anticipated by the managements of UPL and Advanta to result from the Merger. We reviewed the financial terms of the Merger as set forth in the Scheme of Amalgamation in relation to, among other things: current and historical

market prices and trading volumes of UPL Equity Shares and Advanta Equity Shares; the historical and projected earnings and other operating data of UPL and Advanta; and the capitalization and financial condition of UPL and Advanta. We considered, to the extent publicly available, the financial terms of certain other transactions that we considered relevant in evaluating the Merger and analyzed certain financial, stock market and other publicly available information relating to the businesses of other companies whose operations we considered relevant in evaluating those of UPL and Advanta. We also evaluated certain potential pro forma financial effects of the Merger on UPL. In addition to the foregoing, we conducted such other analyses and examinations and considered such other information and financial, economic and market criteria as we deemed appropriate in arriving at our opinion.

The issuance of our opinion has been authorized by our fairness opinion committee.

In rendering our opinion, we have assumed and relied, without independent verification, upon the accuracy and completeness of all financial and other information and data publicly available or provided to or otherwise reviewed by or discussed with us and upon the assurances of the managements of UPL and Advanta that they are not aware of any relevant information that has been omitted or that remains undisclosed to us that would make the information or data examined by, provided to, reviewed by, or discussed with, us inaccurate or misleading in any respect or that would otherwise be relevant in arriving at our opinion. Further, the managements of UPL and Advanta have communicated to us that our reliance on such information and data is reasonable. We do not assume any responsibility or liability with respect to such information and data.

We have not been provided with and, accordingly, we have not reviewed, financial forecasts or forward looking statements relating to UPL, that are not publicly available. Accordingly, at your direction, we have utilized for the purposes of our analyses the Public Reports, and have assumed that such forecasts represent the best currently available estimates and judgments with respect to the future financial performance of UPL and UPL will perform substantially in accordance with the Public Reports. With respect to financial forecasts relating to Advanta (which was provided and confirmed to us by Advanta) as well as the other information and data relating to Advanta provided to or otherwise reviewed by or discussed with us, we have been advised by management of Advanta, and we have assumed and relied upon such advice, that such forecasts and other information and data were reasonably prepared in good faith reflecting the best currently available estimates and judgments of the management of Advanta as to the future financial performance and business outlook of Advanta, and have assumed that the financial results reflected in such forecasts and other information and data will be realized in the amounts and at the times projected. We have relied upon and have not independently verified or validated, nor do we express any opinion on, the financial, market, technical, and operating forecasts provided to or obtained by us or the management's views on the future businesses, operations and prospects or any underlying assumptions for the same.

We have assumed, with your consent, that the Merger will be consummated in accordance with its terms, without waiver, modification or amendment of any material term, condition or agreement and that, in the course of obtaining the necessary regulatory or third party approvals (including approvals of all classes of shareholders and creditors (including consent, if any, required from the holders of the foreign currency convertible bonds issued by Advanta) of UPL and Advanta), consents and releases for the Merger and any other transaction contemplated in the Draft Scheme, no delay, limitation, restriction or condition will be imposed that would have an adverse effect on UPL and Advanta or the contemplated benefits of the Merger. We have further assumed that such approvals, consents and releases will be duly obtained as required pursuant to applicable laws and contractual obligations, without any delays. Representatives of UPL have

advised us, and we further have assumed that the final terms of the Scheme of Amalgamation will not vary from those set forth in the Draft Scheme reviewed by us, and that the terms of the final valuation letter of BSR & Associates LLP will not vary from those set forth in the Draft Valuation Letter reviewed by us. Further, we have assumed that there will not be any adverse rulings or proceedings whatsoever (whether of any court, regulatory body or otherwise) arising out of or in relation to the Merger as contemplated.

We are financial advisors only, and our opinion does not address, and we have not assessed, any legal, regulatory, taxation or accounting matters, as to which we understand that UPL has obtained such advice as it deemed necessary from qualified professionals. We have also assumed that all aspects of the Merger and any other transaction contemplated in the Draft Scheme would be in compliance with applicable laws and regulations; and we have issued this opinion on the understanding that we would not in any manner verify, or be responsible for ensuring, such compliance. Without prejudice to the generality of the foregoing, we express no opinion and have assumed that the Merger will not trigger obligations to make open offers under the Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011, and accordingly we have not considered the consequences or impact on UPL and Advanta, if any such open offers are mandated, and we have also assumed that the Merger will not result in any adverse effect on UPL and Advanta or their respective businesses, whether under tax or other laws or under the terms of any license or approval. We also have assumed, with your consent, that the Merger will be treated as a tax-free reorganization for Indian income tax purposes.

We are not expressing any opinion as to what the value of the UPL Equity Shares or UPL Preference Shares actually will be when issued pursuant to the Merger or the price at which the Advanta Equity Shares or UPL Equity Shares will trade at any time including following the announcement of or completion of the Merger. We have been informed, and have assumed, that the Exchange Ratio takes into consideration the entire value of UPL and Advanta respectively, without exclusion of any undertaking(s). We have accordingly not attempted to ascertain the value of any individual undertakings of either UPL or Advanta.

Our opinion is restricted to the fairness, from a financial point of view, of the Exchange Ratio, as determined by BSR & Associates LLP pursuant to its valuation exercise, to the Holders and express no view as to the fairness (financial or otherwise) to the holders of any other class of securities, creditors or other constituencies of UPL and Advanta or any of their affiliates. Our opinion also does not address any matters otherwise than as expressly stated herein, including but not limited to matters such as corporate governance matters, shareholder rights or any other equitable considerations. We have been informed, and have assumed, that, for the purposes of determining the Exchange Ratio the number of outstanding Advanta Equity Shares has been calculated on a fully diluted basis assuming full conversion of all outstanding stock options and foreign currency convertible bonds of Advanta. Further, our opinion does not take into account any corporate actions of either UPL or Advanta after the date hereof, including payment of dividends. We have not made or been provided with an independent evaluation or appraisal of the assets or liabilities (contingent or otherwise) of UPL and Advanta nor have we made any physical inspection of the properties or assets of UPL or Advanta. We express no opinion as to the solvency or fair value of UPL or Advanta under any laws, or otherwise, or the realizable value of the properties or assets of UPL or Advanta. This opinion is not to be treated as a valuation of any securities of UPL or Advanta under any laws or otherwise. We have undertaken no independent analysis of any potential or actual litigation, regulatory action, possible unasserted claims, or other contingent liabilities to which UPL or Advanta is or may be a party or is or may be subject, or of any government investigation of any possible unasserted claims or other contingent liabilities to which UPL or Advanta is or may be a party or is or may be subject. A valuation estimate for any transaction does not necessarily suggest that a market exists for the transaction. We were not requested to, and we did not, participate in the negotiation or structuring of the Merger, nor were we requested to, and

we did not, solicit third party indications of interest in the possible acquisition of all or a part of Advanta. We express no view as to, and our opinion does not address, the underlying business decision of UPL to effect the Merger, the relative merits of the Merger as compared to any alternative business strategies that might exist for UPL or the effect of any other transaction in which Advanta might engage. We also express no view as to, and our opinion does not address, the fairness (financial or otherwise) of the amount or nature or any other aspect of any compensation to any officers, directors or employees of any parties to the Merger, or any class of such persons, relative to the Exchange Ratio. We express herein no view or opinion as to any terms or other aspects of the Merger or the Scheme of Amalgamation (other than the Exchange Ratio, as determined by BSR & Associates LLP pursuant to its valuation exercise, to the Holders, to the extent expressly specified herein). Our opinion is necessarily based upon information available to us including information provided by UPL and Advanta, and financial, stock market and other conditions and circumstances existing, as of the date hereof.

Citigroup Global Markets India Private Limited has acted as financial advisor to UPL with respect to this opinion and will receive a fee for our services in connection with the delivery of this opinion and such fees shall accrue and be payable to us in accordance with our engagement letter dated November 21, 2015. Citigroup Global Markets India Private Limited will also be assisting UPL in preparing certain investor communications relating to the Merger, as well as, upon request from UPL, coordinating and providing logistics support to UPL in scheduling meetings with its existing shareholders as identified by UPL. In addition, UPL has agreed to reimburse certain of our expenses to reimburse and indemnify us for certain liabilities arising out of our engagement. We and our affiliates in the past have provided, and currently provide, services to UPL unrelated to the proposed Merger, for which services we and such affiliates have received and expect to receive compensation, including, without limitation, as lenders and creditors to UPL, as financial advisor to UPL on strategic transactions, as stock broker to UPL for purchase of Advanta Equity Shares on the platform of the stock exchanges, and as lead manager / underwriters in securities offerings of UPL.

Please note that Citigroup Global Markets India Private Limited is a financial services company engaged in the securities and financial advisory businesses. Our securities business is engaged in securities underwriting, trading and brokerage activities, as well as providing investment banking, financing and financial advisory services. In the ordinary course of our business, we and our affiliates may actively trade or hold the securities of UPL and Advanta for our own account or for the account of our customers and, accordingly, may at any time hold a long or short position in such securities. In addition, we and our affiliates (including Citigroup Inc. and its affiliates) may maintain relationships with UPL and Advanta and their respective affiliates.

Our advisory services and the opinion expressed herein are provided for the information of the Board of Directors of UPL, and may not be used by any other person for any purpose. Our opinion is not intended to be and does not constitute a recommendation to any shareholder, creditor or other person as to how such shareholder, creditor or other person should vote or act on any matters relating to the proposed Merger or any other matter. Except to the extent legally required (after consultation with, and approval as to form and substance by us) or as otherwise agreed by us with UPL in writing, this opinion shall not be disclosed in any manner or for any purpose, nor shall any public reference to us or this opinion be made, by or on behalf of UPL without our prior written consent, except that a copy of this opinion may be included in its entirety in any filing that UPL is required to make with or to any Indian stock exchange in connection with this transaction if such inclusion is required by applicable law or may also include the opinion or its reference (in each case in form and substance as Citi shall approve) in the explanatory statement in relation to the transaction to be distributed by UPL to its shareholders.
